

Beachfront Only
OCEANSIDE VACATION RENTALS

At Beachfront Only, we are always looking to improve our guest experience. With that in mind, we have upgraded the entertainment experience of this television from cable to YouTube TV, which offers on demand options along with the best local networks.

You  **TV**

You can access the YouTube TV app that is PREINSTALLED and PRESET with our account information.

The TV in this property will have smart features in which case, you can command the Roku features and access YouTube TV directly or is equipped with a smart device that can be viewed through the HDMI inputs where the features are simply amazing.

You can access the full list of applications by pressing the HOME button, located at the top right corner of the remote.

At the HOME menu, you can also access numerous entertainment applications. We have preinstalled several news and radio options. If you have subscriptions to any other streaming services, you can use your personal login information. We ask that at the end of your stay you sign out of these accounts to prevent unauthorized use.

Please enjoy your stay Beachfront Only!
